STATEMENT OF SUBSTANCE OF EXAMINER COMMUNICATION

Applicant and Examiner Czekaj conducted a teleconference on April 3, 2007.

During the teleconference, Applicant and the Examiner discussed the §103 rejections. No specific agreements or conclusions were made.

Applicant and Examiner Dastouri conducted a teleconference on April 13, 2007. Examiner Dastouri agreed that any amendments with respect to removing the §101 rejections would be entered by the Office without requiring that a Request for Continued Examination be filed. Examiner Dastouri made some recommendations with respect to amending dependant claims 10-12 so as to remove the §101 rejections of these claims. Applicant has made clarifying amendments to these claims which are consistent with Examiner Dastouri's recommendations.
